

**Boon's testimony (Vocalist B2W)**

To be chosen by God and used in His ministry is the best thing that has happened in my life. I have often worried so much about what to do in this life forgetting that God created me for Himself. Even as we sang Toby Mac's 'Made to Love' on this trip I was reminded that I was made just to love God and be loved by Him. If we realize this fact, to love God first and seek Him with all our hearts then surely He will provide everything we need. One of the Bible verses we learnt on the trip that really inspired me was Psalms 37:4 –“Delight yourself in the Lord and He will give you the desires of your heart.”

**Priya's testimony (Vocalist B2W)**

This is the second year I have had the opportunity to be on B2W. These trips have really been a blessing to me. B2W'09 has given me an understanding of what it means to be in full time ministry. I pray that God uses all the team members in the same way wherever they are placed.

# Walk The Ramp

Once again our music team Vertical Reality had the opportunity of leading in worship at the annual south zone Teens' Camp held in Kodaikanal at St. Peter's School. The theme of this year's camp "Walk the Ramp", was based on 2 Tim 4:12 in which Paul encourages Timothy to set an example to others in every area of life and not let his youth be a reason for anyone to look down on him. It was truly an amazing experience to worship God with around 260 young people everyday and help counsel some of them after the Challenge Hours. Our team members were also given the

responsibility of being group leaders at the camp and helped engage their groups in discussions after the morning Bible Studies. One of the crowd favorites was the song "Shining Light", which is a prayer asking the Lord to help us be a light unto others for Him and bring Him joy by the way we live our lives.
